Fax: +32(0)59562172

## By Air

EcoSynth, Oostende is located only 120 km from Brussels Airport (Zaventem). The airport has direct train connections to Oostende.

## By Train

Oostende is easily accessible by train from all major cities. A direct connection is available from Brussel-zuid (arrival station of the Thalys and Eurostar) and Brussels airport. We can always arrange to pick you up at the station in Oostende. More info on train schedule at <http://www.b-rail.be>

## By Car

Take the motorway E40 direction Oostende. In Jabbeke (past Brugge), follow A10 direction Oostende and take Exit 5a: "Zandvoorde / Oostende Z. 2-3". When leaving the A10 you arrive at a crossing: continue straight ahead to arrive in the Stationsstraat.

Over the railroad crossing about 100 meter on the left-hand side, you will notice the "Plassendale chemical area" in which the laboratories of EcoSynth are located. At the gatekeeper's desk you can obtain a day pass for entrance.

**GPS users:** coordinates: 51° 12' 47"N, 2° 58' 45" E

Stationsstraat 123 is not recognised by most of the car GPS systems. In this case, please use following address **Belgium, Oostende, Stationsstraat, 192**. When arrived at this location, cross the railroad and at the left hand side you'll notice the "Plassendale chemical area".
